

Heat Wave (S778)

Powerful extraction detergent for aggressive cleaning

FOR PROFESSIONAL USE ONLY

Stable at ultra-high truckmount temperatures

APPLICATION: Extraction Detergent

DESCRIPTION

Today's truckmounts are more powerful and deliver more heat than ever before, and you need a detergent designed to take the heat! Heat Wave is specifically formulated for top-tier truckmounts to be quick dissolving and fast-acting yet will not break down when subjected to high heat. Premium grade surfactants and detergents coupled with a high pH makes this product tough to beat! Cuts through suspended oils, grease, mineral soils, food soils and high pH pre-spray residues—giving you maximum extraction cleaning with minimum residue.

FEATURES

- Powerful cleaner for commercial and residential carpets
- Remains stable at super high truckmount temperatures – No clouding or clumping
- 100% solubility – Dissolves fast and easy with a crystal clear solution
- Breaks through the heaviest grease and grime
- Pleasant fresh citrus scent

WHERE TO USE

Use on heavily soiled restaurants, commercial and residential properties where high heat and aggressive cleaning is required.

USE DILUTION:

Truckmount: 3 cups / 5 gallons

Portable: ½ to 1½ oz. / 5 gallons

USE DIRECTIONS:

Pre-test in an inconspicuous location.

Truckmount Extractors: Mix 3 cups into 5 gallons of warm water until completely dissolved to make truckmount concentrate for use in chemical injection system. For stain-resistant carpet, set truckmount chemical injection system for 2 gallons per hour. For commercial and non-stain-resistant carpet, set truckmount chemical injection system for 3 gallons per hour.

Portable Extractors: For stain-resistant carpet, mix ½ to ¾ ounces per 5 gallons of hot water. For commercial and non-stain-resistant carpet, mix 1 to 1½ ounces per 5 gallons of hot water.

COVERAGE: Makes up to 900 ready-to-use gallons. One ready-to-use gallon cleans approximately 400 square feet. Coverage will vary depending on soil level and thickness and absorbency of carpet.

USAGE TIPS:

- Pre-spray with Power Burst when the most aggressive cleaning is required
- Meets specification for stain-resist carpet at lowest label dilution
- Add Citrus Pro and Chemspec Energizer according to label directions for additional cleaning power.
